**About our organization:**

The enduring fame of Old North Church began on the evening of April 18, 1775, when sexton Robert Newman and vestryman Capt. John Pulling, Jr. climbed the church's steeple and held high two lanterns as a signal from Paul Revere that the British were marching to Lexington and Concord by sea across the

Charles River and not by land. This fateful event ignited the American Revolution. Old North Church is Boston's oldest surviving church building and welcomes close to 200,000 visitors each year as one of the Freedom Trail's most visited historical sites.
